

## Using DARCA: feedback

We are really grateful for any feedback that you can give on DARCA to help us keep improving the tool, and the generally usability of the site. Please copy and paste the questions below into an email to [darca@uehiro.ox.ac.uk](mailto:darca@uehiro.ox.ac.uk) and answer those that are applicable to you, or alternatively just email us with your thoughts.

It is particularly valuable for the team to receive testimonial evidence about how the tool may have impacted real-world decisions, but we understand that this can be difficult if it is linked to individual institutions. If you are a user who feels able to provide such evidence please do consider contacting the DARCA team at [darca@uehiro.ox.ac.uk](mailto:darca@uehiro.ox.ac.uk), and we will facilitate a way for you to provide this hugely valuable testimony to the team in whichever way is comfortable for you.
